

Closing Interview Questions

I want to thank you for coming in and giving us this statement. If I have any additional questions, would you mind coming back into our office or for us coming to contact you?

What do you think about this interview process? Were you treated fairly?

Did you understand all the questions you were asked today?

Were any promises made to you, or were you mistreated in any kind of way?

Were you allowed to use the restrooms and have an opportunity to eat?

How do you feel now that you have come forward with the truth / this information?

Is there something you have not told us that you think is important or that you might have left out and want to say to us now? You have an opportunity to tell us now that it will not be a surprise for us or a problem later.

What would you say if you had an opportunity to talk to the victim/victim's family?

If I needed to follow up with you, would you mind if I contacted you again? How can I get ahold of you?

Here is my card with my number please don't hesitate to call me if you need anything.
